

# TITANIUM SOLAR

POWERED BY AMP SMART

## **Congratulations on your choice to go Renewable!**

This is one of the smartest and best choices you can make as a homeowner. Not only are you doing your part to help save our planet and make the world healthier for the next generation, but you are increasing the value of your home. That right!! Solar and our Smart Home packages are home improvements and add instant equity to your residence.

Our team of experts will be here for you every step of the way during your project and long after. With our 25-Year Guarantee, you have peace of mind that if something comes up, the system stops working, damages happen, or the system underperforms, we will be here to take care of things.

Our goal is to deliver a 5 Star experience for you throughout this project. Keeping you informed and educated at each milestone. Don't worry there won't be a pop quiz at the end, we will be doing all the heavy lifting so you can focus on your family.
